Sophisticated, highly upgraded and inviting, this meticulously maintained single story home has it all, you won't want to miss it.

As you enter, take note of the real hardwood floors extending throughout the main floor. Immediately make your way to the gourmet kitchen and take in the 42" Cherry Wood Cabinets, Stainless appliances and a large entertainers island. Perfect for either large holiday gatherings or quiet evenings in the nook. The Kitchen truly is the heart of the home.

Right off the nook find an outdoor oasis that will claim many of your nights relaxing and watching the sunset. The Covered patio has a ceiling fan, canned lights and is perfect for relaxing in-between practice on the custom designed putting green. And what a putting green it is! Sand, multiple lengths of rough and professionally filled and rolled surfaces ensure it will last. Friends and guests will have plenty of room outback, in the Great Room or having dinner at the Formal Dining room large enough for a 12 person table.

Your escape from it all is to the primary suite featuring a bay window, custom closet and luxury primary bath. It'll be calling your name after those long days at work. Adding to the
